

## CCGC 2PBB Match RECAP Ortiz/Vacura vs Fien/Means

July 1, 2024, Empire Ranch

Well it was one of those days, just one though. Ortiz/Vacura, coming off their epic win against Craggs and Herritt (available on Youtube) were facing the much, maligned team of Fien/Means. Fien has eschewed practice of late in order to accompany the Swift/Kelsey tour to Europe.

But the layoff didn't seem to matter as F/M shot out to an early lead paring the first four holes to go up three. Then as always happens, starting with a three putt from Means on 5, followed by a chip in par by Ortiz on 6, O/V got back to within 1.

On the following par 5 it looked like O/V would even the score except for a miraculous sandy/chippy from Means to put F/M up 2 instead.

On number 9 set up by a nice second shot from Vacura, O/V got within 1 again - after 9.

Starting on the back 9, both teams par 10; F/M par the 11<sup>th</sup> to go up 2; 12 and 13 both teams par and on 14 both teams bogey. F/M still up 2, but O/V are popping on 3 of the last 4 holes.

On the par five 15<sup>th</sup>, F/M both par the hole to go up 3, with 3 to play putting O/V dormie. That was followed by an anti climatic bogey tie on the par 3 16<sup>th</sup> to end the match. Celebrated by the strange arrival of S/K, congratulating Fien and capturing the win and the three of them on Instagram.

Ortiz had a nice sub 90 round and putted lights out, but the strange distractions that accompany F/M were too much.

Next up for F/M ,the Juggernauts of Persons/Ronning.
