Monday October 7, 2024

Peach Tree Country Club

Marysville, California <https://www.peachtreecountryclub.com>

Tournament Entry Deadline: September 28, 2024

Narrative: It is truly a unique opportunity to be able to hold the 2024 Fall Classic at Peach Tree Golf & Country Club. Peach Tree is one of my favorite golf courses to play in the area. Peach Tree is offering their course on a Monday that they normally would be closed. Peach Tree is NOT requiring a deposit or minimum number of player for a Shotgun start. I am hopeful that we will have a full field of players to enjoy the best greens and bunkers in the Sacramento Area. It should be a fun day to play golf on one of the best golf courses in the area. It is hard to believe that they are only charging us \$70 for golf, cart and range balls. We are opening up the Fall Classic to players without handicaps and we will be using the Callaway Scoring system for the Callaway Flight. Men will be playing the Green tees that are totally playable. Holes 7 and 17 are reasonable par 3s. I have attached the scorecards for Men & Women. The starting time will depend on where the players are driving from with 10:30 AM being the latest starting time. It is possible to get players from Redding or Fresno. This is truly our best opportunity to keep the Fall Classic going for many years. Hope you can make it.

Gathering: Tournament Prizes awarded immediately following round. Food and drink can be purchased on the course at the turn. BBQ is being offered at \$20 per person for burger or chicken patty, chips, potato salad and cookie. Need a minimum of 20 people for them to provide the BBQ after golf. Need to know by 9-30 for BBQ to proceed.
