The Club Championship is an individual stroke play tournament open to everyone. Micke Grove tournament will serve as a seeding tournament for The Club Championship. Seeding in the bracket will be based on score (low net will be the number one seed and play the highest net seed - i.e. 1v16, 2v15, etc.). If there are any byes, the reigning Club Champion will receive a bye, followed by the number one seed, and so on. In the event we have more than sixteen (16) participants, the highest seeds will have to play any "play-in" matches if necessary. Seeds will be independent of flights, and everyone is eligible for prizes.

*** By not participating in the Micke Grove event, you may still play in The Club Championship, you will be the last seed. (Ties broken by a random lot.)
